

# Fundamentals For 7th Grade Band

## 1. Starting Note

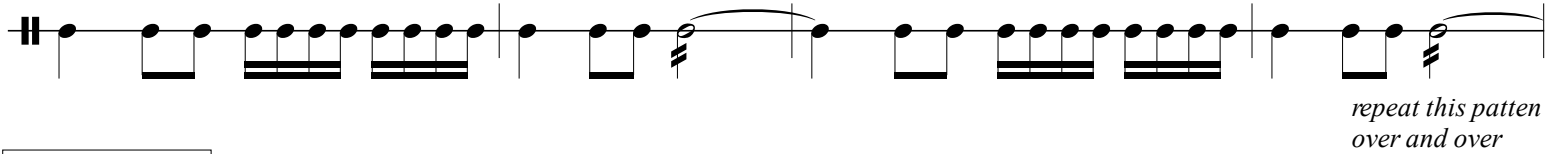

Keep your stick height low, keep your wrists / hands turned down to the ground. Your sticks should be pointed in a V shape. Do not swing your elbows or shoulders. Feel the beat by watching the Conductor and waving your sticks during rests. Count 1+2+3+4+ in your mind while you play. Listen to the other instruments while you play, balance your sound with theirs.
